

Oakwood Polled Shorthorns

23rd Annual Sale

Monday, May 1, 1961 - Ashville, Ohio

Oakwood Rosewood 30th x, Lot 11, and Oakwood Hope 15th x, Lot 12. Both are daughters of Creekland Lancer x.

Only rarely . . . possibly once or twice in any ten year period . . . does there come on the scene a sire whose blood is so potent a new dynasty can be established. History proves those breeders who have made use of such powerful blood produce top cattle for many years to come.

Welcome to Oakwood

On the occasion of our 23rd Oakwood sale, we hope every Shorthorn breeder who is interested will be with us . . . regardless whether you breed them Polled or with horns.

We derive a lot of satisfaction as we review the offerings of the past, noting how many animals out of each sale have produced well in the widely scattered herds into which they have gone. To us this is most gratifying and reassuring, for this is fundamental to the success of any herd.

We were convinced that Creekland Lancer looked a sire and stock bull the moment we laid eyes on him. His calves convinced us we were right in our appraisal of his potential. However, the "acid test" of the prepotence of any good sire is the way his sons breed on. To assure ourselves, we have made a project of using his sons in the Oakwood herd.

On sale day we will be able to show you calves by six of his sons. Three grandsons are included in the sale. We are satisfied Creekland Lancer's sons have passed the "acid test", but we want you individually to do your own looking and your own thinking.

Each sale presents a challenge . . . to come up with a stronger offering than ever before. We are convinced the ten bulls fulfill that obligation. Our females represent more of those we would like to keep . . . this kind goes so much deeper . . . than ever before. The heifers we purchased to mate to Creekland Lancer have been sorted to meet the requirements of females we would add to the Oakwood cow herd.

Dr. John F. Cuber is a guest consignor. He has an offering of really top cattle . . . for that is the only kind he has owned. His herd is larger than he feels he should maintain. You will find his females carrying the service of Oakwood Gladiator x are worthy of your interest and ownership.

We would be honored to have you with us May 1.

Paul H. Heggardin

Left to right, Oakwood Lady Lavender 3rd x, Oakwood Augusta C 3rd x, and Oakwood Clipper 4th x, all selling in this sale. Two are by Creekland Lancer x, one by his son Oakwood Decision x that head the Gallatin Farms herd, Triplett, Mo.

Buffet Dinner Sunday Evening

We hope you will all plan to arrive at Oakwood by Sunday. During the day, all of the sale cattle will be displayed outside in grassy lots for best viewing. Many of the other members of the Oakwood herd will also be so displayed, including the calves by six of the first sons of Creekland Lancer.

Sunday evening you are all invited to our home for a buffet dinner. This should be a good opportunity to visit with friends old and new. This year we have named The Lincoln Lodge as sale headquarters to hold the crowd together.

OHIO POLLED SHORTHORN BREEDERS' ASSN. SALE **MONDAY EVENING, MAY 1ST**

at nearby Circleville. Starts at 7:30 p.m. They have a good offering of 50 head in line—making over 100 head of quality Polled Shorthorns to be sold on May 1st.

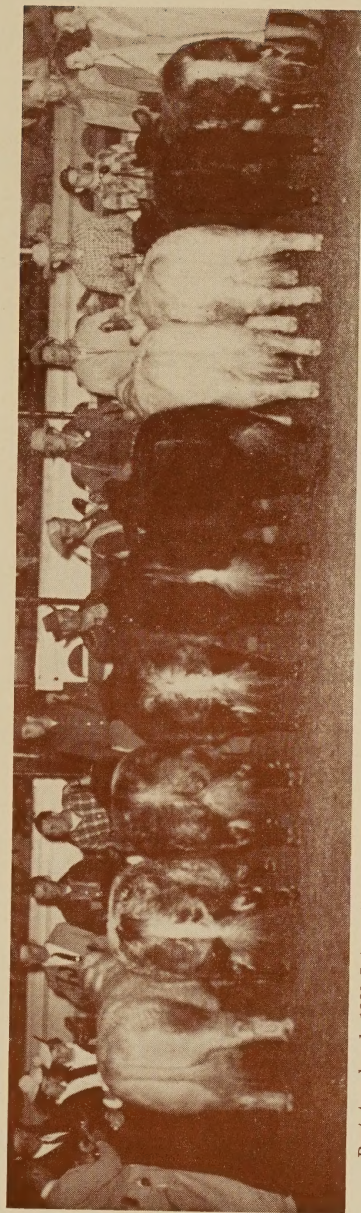

They will greet you on May 1 . . .

These are the ten bulls Oakwood will be selling in this sale. Left to right, Oakwood Majestic Lancer x, Oakwood Silver Lancer x, Oakwood Diamond x, Oakwood Stylemaster x, Oakwood Cornerstone x, Oak Shade Lancer 2d x, Oakwood Foremost x, Oakwood Radiation x, Oakwood Modern Lancer x, Oakwood Lord Lancer x.

Visitors agree that the ten bulls we are selling this year are the best group we have ever offered. We are mighty proud of them and show you the entire group in the unretouched picture above. This is how they looked at Oakwood on March 2.

Seven sons, three grandsons of Creekland Lancer x. Regardless of your need . . . there's a bull to suit everyone in this offering.

Best ten head, 1960 International. They were all sired by Creekland Lancer x. Thirteen of the 15 animals in the 1960 Oakwood show string were by Creekland Lancer x, the other two were by sons. Five of the ten sell in this sale.

1960 INTERNATIONAL

First prize senior get-of-sire by Creekland Lancer x.

Creekland Lancer's get was undefeated in 1960. On the opposite page we show the listing of the senior get-of-sire classes at nine major shows — nine different judges — seven in horned competition.

We submit this for your consideration as the most impressive record a Polled herd has ever made in horned competition. It is an accomplishment we may never again be able to equal. We have the highest regard for the great herds, horned and polled that competed, and proud as we are of the Oakwood accomplishments we have no desire to minimize the excellence of their exhibits.

General Sale Information

LOCATION . . . Oakwood Stock Farm, Ashville, Ohio, 16 miles from Columbus. The new bridge is in use between the farm and U. S. 23. Turn left to Duvall off U. S. 23 at crossroads where Ohio 762 turns right, go to end of road, turn right, cross new bridge, turn left immediately to Madison School, turn right one-half mile to the farm.

TIME . . . Monday, May 1, 1961. Sale starts at 12:30 p.m. E.S.T. Lunch will be served.

HEADQUARTERS . . . We believe this sale will be more enjoyable to attend if everyone is able to stay in the same place. The Lincoln Lodge near Columbus is one of the finest in the country, with every possible service. To insure that your reservation is properly handled, we would like to make it for you. A map showing directions from the Lincoln Lodge to the farm is shown on page 12.

TRANSPORTATION TO FARM . . . We will be glad to see to it that you have the necessary transportation during your stay. This includes pick-ups at the airport, railway station, returns to there, and back and forth to where you are staying. A notice will be posted near the desk at the Lincoln Lodge telling you when cars will be going to the farm on sale day morning and the clerk there will have information as to transportation at other times during your stay.

FARM PHONE . . . Ashville, YUkon 3-5212. A phone will be on the auction block sale day.

BUFFET DINNER ON SUNDAY . . . Please do not forget we are hoping as many of you as possible can come on Sunday for a leisurely view of the cattle and a buffet dinner that evening.

GUARANTEE . . . All cattle sell under the terms of the Standard Guarantee endorsed by the American Shorthorn Association. All announcements from the auction block and information on printed sheets of breeding dates to be distributed sale day take precedence over printed matter in this catalog. Terms of sale are cash, all settlements to be made at conclusion of auction.

HEALTH . . . The Oakwood herd is Federally Accredited for T. B. and Bangs Certified. Calf-hood vaccination for Bangs, has been practiced for years. Therefore we have made no further reference to this in the footnotes.

LIABILITY . . . Each sale constitutes a contract between C. B. Teegardin & Sons and the buyer of each lot. The clerks, auctioneers, sale manager, were all retained for specific clerical and promotional duties and have no connection with the premises, handling of cattle, and can assume no liability whatsoever. Oakwood will make every effort to protect the safety and comfort of the guests, but can assume no liability for any accidents.

SALE MANAGER . . . Don Longley, 16 South Locust Street, Aurora, Illinois.

INQUIRIES ABOUT CATTLE LISTED . . . The sale manager or anyone connected with Oakwood will gladly answer, to the best of their ability, any question that may arise in the minds of prospective buyers as to the quality and breeding of any animals listed in the catalog.

(MORE GENERAL SALE INFORMATION APPEARS ON PAGE 12)

Fred E. Smalstig holds Timberlee's Juliana 2d x, junior and grand champion female, 1960 International. Seen with this daughter of Timberlee's Consort x are, left to right, Judge Herman Purdy, Fred W. Smalstig, International Queen Diane Burke, and Jim Browitt.

One of the classiest show herds brought out in years was the Timberlee Farm, Evans City, Pennsylvania, exhibit at the 1960 International . . . five head . . . all by Timberlee's Consort x. These included the Grand Champion Female, First Junior Get, First Pair of Calves, and First Pair of Females.

Oakwood is proud that a key number of that fine exhibit was Timberlee's Juliana 2nd x, the 1960 International Grand Champion Female. Her dam, Oakwood Juliana x, a daughter of Oakwood Determination x, was purchased for \$1,000 in the 1955 Oakwood sale.

Oakwood has been the source for great foundation females in leading Polled Shorthorn herds throughout the world.

Right, Oakwood Juliana x, dam of the 1960 International Grand Champion Female, Timberlee's Juliana 2nd x. This daughter of Oakwood Determination x was purchased by the Smalstigs in the 1955 Oakwood sale for \$1,000.

In the 1958, 1959, and 1960 Oakwood sales 27 sons of Creekland Lancer x have averaged \$1,551. They have sold as high as \$5,700, but many cattlemen have taken home good sons of Lancer in the six to eight hundred dollar bracket.

Oakwood sales are for everyone that no one can afford to miss.

This picture was taken about fifteen years ago and shows the kind of cows in the Oakwood herd at that time. These are all daughters of three International grand champions, Oakwood Royal King, and his two sons, Oakwood Merry King and Oakwood Emperor.

Consistence is the greatest measure of any herd . . .

Complacence is the greatest hazard.

This is the way I have begun my personal comment in each of the last two Oakwood catalogs. This thought is so fundamental that I have no hesitance about repeating it again.

Consistence at Oakwood can be measured by many yardsticks of performance. A great show record. A record in 1960 that should prove to every Polled Shorthorn reeder that, if he will strive to produce the best, he need not fear to measure quality with the best of any breed.

There is a further measure that I feel is even more appropriate. Possibly only those who face the problems of holding an annual sale can appreciate this. The Oakwood cow herd is not large. Consider the power that must be behind a herd program, not only to do this every year, but to hold a sale in the Spring, scatter its best productions, and still be left with a fall show herd that can compile this kind of a record.

About complacence. There is a reason why I have used the picture that appears on this page. These are cows that were not only top individuals in their day, but still would be considered great brood cows. Paul Teegardin was not satisfied to "stand pat". He left nothing stand in his way of making them better every year.

They breed well, because they are well bred.

CIRCLEVIEW LANCER x . . . Fourteen times a championship winner this past season . . . ten shows . . . eight in horned competition. Grand champion, Mid-South Fair, Alabama State Fair, Tennessee Valley Exposition, Junior and Reserve Grand Champion, Ohio, Michigan, Tennessee and West Virginia State Fairs.

Bred by Melvin Kiker, this bull is out of a Commander-in-Chief dam. The granddam was sold in the Oakwood sale as a bred heifer. She was by Oakwood Leader x and out of a daughter of the 1931 International Grand Champion, Lee Dale Collynie.

Circleview Lancer x is co-owned by Ted Franklin, Jasper, Alabama, who purchased his interest in the 1960 Oakwood sale. He is now in Alabama, but will be back at Oakwood on sale day. A number of females in the sale are bred to him. Be sure to see his first calves.

OAKWOOD GOOD NEWS

This powerful son of Lancer stood second to his half brother, Circle-view Lancer x in the junior bull calf class, 1959 International.

These four sons of Creekland Lancer x insure the continuance of his blood in Oakwood productions.

OAKWOOD REWARD. Summer bull calf reserved for the future. Another Lancer . . . double bred.

OAKWOOD CONTRACT

Seven times a winner in 1960 shows. He is a son of Creekland Lancer and out of Oakwood Clipper x by Oakwood Determination x. His granddam produced a long line of bulls that proved outstanding sires in her 17 years at Oakwood. She left just two heifers for us. See his dark roan brother and Oakwood Clipper 4th selling and you'll see why we believe in Oakwood Contract. He is being reserved for Oakwood . . . for use and to show this season.

This is truly a LANCER offering . . . 10 sons and grandsons . . . 18 daughters and granddaughters . . . many more mated to him and his sons.

Looking to the outcross . . .

OAKWOOD GLADIATOR x
1957 International Reserve Grand Champion

Oakwood Gladiator x is one of the most popular bulls ever to occupy a box stall at Oakwood. He is a son of the \$6,000 imported Lawton Benefactor. His dam is a full sister to the 1951 International reserve grand champion, Oakwood Predictor x.

We are very anxious for you to see the calf that sells at foot with one of Dr. Cuber's animals. It is a good indication of what is to come from this outstanding bull.

A one-third interest in this \$15,000 bull was sold to Dr. and Mrs. John F. Cuber. His full pedigree and further information is given preceeding their consignment in this catalog.

Oakwood Regulator was the undefeated junior yearling 1955 Ohio, Illinois, and International. He is by Commander-in-Chief x and out of a daughter of Edellyn Supreme Mercury. Although he has been in the background because of Creekland Lancer x, he consistently demonstrates his worth as a sire and is at Oakwood to stay.

At the halter is Harvey "Red" Ferguson . . . a fine friend and one of the greatest cattlemen in the business. He has been with Oakwood 19 years. His consul is highly valued in our decisions. He will be most happy to give you his critical opinion of the cattle. Buyers who know seek his advice.

OAKWOOD REGULATOR x

OAKWOOD GAMBLER x

Oakwood Gambler is a July 1960 calf for which we have high hopes. He was purchased at side of his dam in the 1960 Hi-Ho sale. His four sires in the third generation are Calrossie Welcome, Chapelon Baronet, Commander-in-Chief x, and Kelburn Yesteryear. We believe he has a place in our breeding program.

OAKWOOD DIAMOND — Is a son of Lancer we have waited for. His dam, his granddam and his great granddam have had an impressive record of producing stock bulls since we brought Ceremonious Lady 4th to Oakwood over 30 years ago. The five times International Grand Champion, Ceremonious Sultan; Avondale and Whitehall Count were at the top of her pedigree. Over the years the bulls these cows have produced have "bred on." This bull looked right when he was dropped. We are pleased with the way he has developed. We believe his four sires in the third generation "guarantee" his stock bull look. We KNOW we want to retain an interest in him!

His brother, Oakwood Majestic, topped our Nov. 1959 sale at \$3,200 to go to Mrs. Pitfield, Saraguay Farm, Pierrefonds, Quebec. He weighed 1,725 lbs. at 24 months and is siring the most promising calves ever dropped at Saraguay. If you need a big bull . . . if you demand one that looks like a sire and comes by his promise by inheritance . . . he could be your answer. OAKWOOD CORNERSTONE — He combines so much in which we believe so strongly. First, he's a double bred grandson of Creekland Lancer. Secondly, he's a grandson of Lady Golden 5th, dam of two of the best sires used at Oakwood, Commander in Chief and Oakwood Leader. Third, he looks like a sire. Good smooth head — wide quartered, low set, on plenty of bone. The longer you study him and his background — the more certain you will become.

OAKWOOD SILVER LANCER — Is an "up headed" bull that has been "up and coming" since he came home from his tenth show last December. He was Reserve Junior Champion at the Michigan State Fair . . . stood second in six horned shows and has been named by two top cattlemen as a bull to watch in 1961 shows. His dam has a long record of producing winners back to her first daughter who was undefeated at all State Fairs and second at the 1950 International. She's a granddaughter of Coronet Command. The second dam, is a granddaughter of Oakwood Royal King and the third dam a granddaughter of Lord Collynie . . . both International Grand Champion bulls. He inherited his look of a stock bull and he will breed it on.

OAK SHADE LANCER 2D . . . If you want to dehorn your calves — and at the same time give them long rumps, full quarters, and wide tops — Oak Shade Lancer 2d is the bull you'll be looking at. He ran in pasture with his dam (with no grain) until we brought him to Oakwood. She's a top kind, and a double bred granddaughter of Oakwood Hallmark 19th the best sire left by Oakwood Hallmark. Oak Shade Lancer 2d topped a class of eleven junior bull calves at the International and if given the opportunity can do it again in 1961.

OAKWOOD MODERN LANCER . . . Could be the one to think about — seriously! He's a heifer's first calf. She raised him and to us, he's proof of the prepotence of Creekland Lancer. Lynnwood Lancer's granddam is likewise sired by Edellyn Modern Mercury, and Elmhurst Myrtle 4th is a full sister to the Phingask Myrtle cow that made such a record in the Edellyn herd. Smooth headed, structurally right, a bull with no serious fault, with a lot to admire about his make-up — and his background!

OAKWOOD HOPE 15TH . . . Made eight shows in a row, seven in horned competition and was undefeated. She was Grand Champion female at the Alabama State Fair, defeating two Lancer daughters accustomed to the honor — and she deserved it. We would like to show her again in 1961 — and deliver you one entitled to be one of the best, if not the best, brood cow prospects we ever sold. Her sister Oakwood Hope 14th purchased by Smycolanda Plantation, Ninety-Six, South Carolina at \$5,000, in our last sale, looks like she was worth it with a bull calf at side — one well worth seeing and thinking about.

OAKWOOD ESTELLE B L . . . Might well be the most valuable Estelle we have ever offered. She has scale, bone, depth, and natural thickness. Moreover she looks a brood cow. She is listed to be sure we are again sharing our best with those who aspire to own that kind. It is a family that have produced well for us and for every customer who has owned one. We have a sister of the same pattern, or this one would stay at Oakwood. There is nothing we would change in her inheritance — and her appeal will speak for itself! OAKWOOD CLIPPER 4TH . . . Is a correct kind. Correct in type, correct in her balance and correct by inheritance. She is a heifer's first calf — but she is a 7/8 sister to the \$2,000 Oakwood Clipper 3d, now at Home Again Farms, and to Oakwood Contract — who topped his class seven times and stood second three times in last season's shows. Her granddam was one of the all time great brood cows for us — working until her 17th year — and it appears her only two daughters will carry on her record as producers. OAKWOOD AUGUSTA C 3D . . . Is good headed, level, smooth and balanced. She is sired by Oakwood Decision, top bull in the 1958 sale selling to Gallatin Farms, Tripplett, Missouri. Decision sired the Reserve Champion bull in the recent Omaha sale and his second son at Oakwood, Oakwood Masterkey, stood second in class at the 1960 International. The dam is a maternal sister to the dam of Oakwood Augusta Cestria, sold to Lynnwood Farms at \$4,000 in our 1957 sale, where she produced Lynnwood Lancer, first at Chicago, Denver and Fort Worth. She is also a granddaughter of Naemoor Pauline Pearl, dam of Calrossie Ocean Wave, Cruggleton Prince Bob, and the Perth Supreme champion, Millhills Ransom. Her third dam is by the International grand champion Browndale Goldspur. An inheritance that guarantees her future.

OAKWOOD LADY MAYFLOWER 10TH . . . Is one of the "better kind". We've had few heifers with her great depth of body, scale and ruggedness. Her full brother is one of the better calves we have to bring out this season. Ask to see him. You'll believe in this heifer all the way then. She's mated to the 1960 International Reserve Grand Champion Circlevue Lancer on January 6th.

OAKWOOD MISSIE M P . . . Is a dark roan daughter of the Omaha champion, The Pattern. Her dam is a maternal sister to a long line of cows that have produced the 1952 International Grand Champion S & G Admiration; Oakwood Missie Mine, a foundation female in the Bapton Polled herd in Scotland; Oakwood Majestic, \$3,200 top in our November, 1959 sale to Mrs. Pitfield, Saraguay Farm, Quebec; the \$4,000 Congress Champion Oakwood Majesty and Oakwood Missie 34th, the Canadian Royal Winter Fair winner. A great family to tie to and she's due to calve in June to Creekland Lancer.

Ten years ago, our principal stock der-in-Chief and Oakwood Leader, two great bulls out of the same cow, Lady Golden 5th. Left, Oakwood's ten head group, 1950 International . . . five by Commander-in-Chief, five by Oakwood Leader.

We believe every great sire in history had to inherit that right to become great. Two bulls may be alike to the eye — but the combination of genes carried in the bloodstream will enable one to become a top sire, the other to be relegated to the list of unknowns.

There is no magic formula. In this business everyone has the same opportunity to be successful. Top females as well as top bulls are mandatory — both from a known inheritance. That's where many fail in their efforts to breed improving cattle. See the animal with the eye —

ascertain its potential worth by its pedigree.

The path to success must be twofold. Correct type and correct breeding must go hand in hand. Alone, neither can go far. Together, there is no ceiling to their success.

These sold in the 1957 Oakwood sale. Females of this quality have made Oakwood sales a "Mecca for Breed Improvement."

The Pattern x. Grand champion, Omaha show and sale, 1958. Six times champion at major shows in 1959 for Oakwood. He is the sire of Lots 20 and 21.

OAKWOOD GLOSTER 14TH . . . Is one that has been a universal favorite with every visitor. They like her good head, her structural correctness, her balance. She is an example, like Oakwood Gloster 15th, of how this family "breed on". Her third dam is a full sister to the grand dam of Gloster 15th. We could fill a small book with the achievements of the produce of Maxwalton Gloster 73rd — our foundation cow — both in the shows and sales — but more important is what they have done for others, while "their folks" worked at Oakwood.

OAKWOOD GLOSTER 15TH . . . Is one we have included at the last minute — but she is the kind that should “breed on” for her owner and speak well for Oakwood. She is a sister to Oakwood Guardian — undefeated at nine shows last fall — Grand Champion at Ohio and Tennessee. Reserve Grand Champion at Michigan, Mid-South, Tennessee Valley Fair and Alabama. Her dam has been a consistent producer of good ones. Her granddam topped our 1942 sale — came back to Oakwood with the Parke Smith herd in 1948 and died here. One sister stayed at Oakwood — two others became top cows at Cherry Hill and in the Moise Cerf herd in Texas. These Maxwalton Duchess of Gloster females have been a family producing the better ones for sixty years — that’s when the old Aldie Duchess of Gloster cow went to Maxwalton.

OAKWOOD DOREEN 2D . . . If you want the best blood of Scotland with a polled head, you'll appreciate this heifer. She's a daughter of the 1954 International Reserve Grand Champion, Circlevue Leader. We believe her granddam, Princess Doreen, sired by Cruggleton Perfect is probably his best producing daughter that came to the U. S. Few families have "bred on" with such consistence — and this heifer promises well to maintain that tradition.

LAVENDER B 9TH . . . Is Lawrence Bihl's favorite daughter of Bouncing Boy. She is descended from a long line of Lavender cows that have produced especially well — good cattle for generations. To back that claim he has more of this family in his breeding herd than any other family and he has three sisters to this heifer. Selecting heifers to breed to Creekland Lancer never was easy — but we never got three better ones by any bull than these three daughters of Bouncing Boy.

Mercury's Roan Lady
Red, C. B. Teegardin & Sons

ROAN LADY OF OAKWOOD 10TH . . . Is a grand prospect for a breeding cow. Her full sister is in the Franz von Schilling herd in Virginia. Upson Lancer, who is siring great calves for George H. Miller, Thomaston, Georgia is out of another sister to her dam. Evergreen Roan Lady, the foundation cow was undefeated in three seasons 1936-37-38 and a show cow that was equally famous as a brood cow. Due for an early calf sired by Oakwood Majestic Lancer, Lot 2 in this sale.

PEQUANNOCK ROAN LADY 21ST . . . Is a dark rich roan heifer with bone, scale and thickness. We brought her to Oakwood to mate to Creekland Lancer. Her dam is an excellent cow. Her granddam is a granddaughter of our 1941 International Grand Champion, Coronet Command — and a great granddaughter of the 1936 International Grand Champion, Oakwood Emperor. This Cromleybank Roan Lady family have been the profitable kind, and her mating to Lancer should warrant an interest in her ownership.

What Does It Cost To Buy An Oakwood Bull or Female?

It is true . . . for 22 years the Oakwood sale has always been the top averaging Polled Shorthorn sale of the year . . . or one of the tops. Because high selling animals always receive the most publicity, it is natural many would gain the impression that it takes a lot of money to buy an Oakwood animal.

The table below shows a price breakdown of the last three Oakwood sales. By far the largest percentage of the animals sold below \$1,000 . . . the big share in the popular price range from \$500 to \$750. Many of the best breeding animals have been sold at such figures and below.

Consider, too, that nearly all of the females carried the service of such great sires as Creekland Lancer. In many instances the calf in dam more than paid for its dam.

G F CLARA C . . . Is a heifer we believe should nick well with Creekland Lancer. She is sired by a brother to the Lynnwood Grand Champion female at the 1957 International. Her dam was one of the better females in our 1951 sale. Her granddam produced consistently well for us and her third dam produced two Congress Champions for Cherry Hill Farms after Harry Straus gave us \$1,500 for her in our 1943 sale mated to Oakwood Nonesuch. That calf she was carrying topped the 1946 Polled Shorthorn Congress. We believe she can be worth thinking about, if you'd like to have a Lancer calf in your pasture and a cow family to build from.

Oakwood Hope 14th x. This daughter of Creekland Lancer x was purchased in the 1960 Oakwood sale for \$5,000 by Smycolanda Farms, Ninety-Six, South Carolina. She is a full sister to Oakwood Hope 15th x, Lot 12.

OAKWOOD LANCASTER 7TH . . . Sold in our 1958 sale to Ray Harden. We purchased the Oakshade herd last October and are including this three-in-one combination. Her heifer calf, Oakwood Lancaster H was dropped June 15, 1960 and is by a Polled grandson of Leveldale Basis. The cow is due to calve again on May 17 to Oakshade Masterman, a Polled son of Kirkton Masterman. His calves are outstanding and he is now owned by Oakwood and L. E. Taylor, Faison, North Carolina.

Orange Blossom of Acadia x.
Grand champion female, 1958 Ohio State Fair for Acadia Farms, Northfield, Ohio. They purchased this daughter of Creekland Lancer x in dam in the Oakwood sale. Her first daughter was third in a strong class at the 1960 International.

Creekland Lancer x in his younger days at Oakwood.

When opportunities come available, we are always interested in purchasing those females that seem right to incorporate into the Oakwood breeding program. Mr. C. K. Freeman, Colerain, North Carolina, always had a top herd. He paid careful attention to individuality and pedigree. At the Creekland Dispersion in 1958 he was the purchaser of the grand old sire, Louada Developer, imported-in-dam sire of Creekland Lancer.

Mr. Freeman passed away early in December. We had the opportunity of buying our choice of the cows mated to Louada Developer. The old bull had died in November, 1960.

Two of these cows are being offered, in addition to two thin yearling daughters of Louada Developer (see Lots 42, 43, 44, and 45). The balance of the Freeman cows and their calves stay at Oakwood.

This was the only picture ever taken of Louada Developer, sire of Creekland Lancer x, and it is not a very good one. He was a powerful bull, rugged, and great headed, and backed by the strongest blood of Scotland.

FREEMAN'S LAVENDER 8TH . . . The oldest cow in the Freeman herd was Janesway Lavender 4th — a cow we had owned and sold as a heifer. She came back to Oakwood along with two daughters. The old cow has a full sister to Freeman's Lavender 8th so we are including this heifer. She isn't going to be ready to sell but she has a high potential worth as a brood cow. Mated to the International Reserve Grand Champion, Circlevew Lancer.

Once in a while they come horned . . . and when they do we like them to be good enough to stand the test of the stiffest horned competition. This is Oakwood Clara H. She topped a class of 15 junior heifer calves at the 1959 International. Winner of 18 firsts in 1959-1960 shows. Grand champion Pennsylvania Keystone National, Michigan, Mid-South Fairs. ROSEMEADE FLOWER 3D . . . Comes from a family of cows that have produced many of the top cattle in the Robertson herd. Her 1960 heifer calf was purchased by Mr. Robertson before we got to the Freeman farm. There may be better summer yearling prospects for 1961 shows, but I haven't seen one. She is mated to Louada Developer, and someone will get a full brother or sister to this outstanding prospect and a proven producer of top calves.

OAKWOOD GLADIATOR x . . . Oakwood had not intended to sell an interest in this champion, but when Dr. Cuber established his select top quality herd so near by, we sold him a one-third interest in this bull. He is being used in both herds. His first calves provide clear evidence he will pass on his individual greatness.

His sire was purchased for \$6,000 in partnership with Willow Lee Farms. His dam is a full sister to Oakwood Predictor x, 1951 International Reserve Grand Champion. The granddam is by the 1941 International Grand Champion, Coronet Command x, the third dam by the 1940 International Grand Champion, Oakwood Commander x; and the fourth dam is a maternal sister to the dam of Cherry Hill Royal Oak x.

A true beef bull from end to end with bone substance, good fleshing, and the head of a stock bull.

Dr. John Cuber, Galena, Ohio, holds his Lynnwood Augusta May 4th x, Senior and Reserve Grand Champion, 1960 International. Mrs. Cuber is second from the left. This heifer was sired by Carona Fascination x.

The Cuber Entries

Any man who can buy two heifers and have on win the International reserve championship and the other place first in class, needs no testimonial from us as to his keen judging eye. Dr. and Mrs. Cuber had one thought in mind in purchasing their foundation females — the very best.

A busy man who keeps these cattle on a small acreage near his home, Dr. Cuber feels it best suited for his future operation to reduce his herd. He is selling his entire 1961 show herd. Two of them already have been successfully shown in 1960, including the first prize Junior Yearling at the International.

The cattle are all in calf to Oakwood Gladiator x. Every animal in the consignment is either sired by an International Champion, safe in calf to one, or both. The herd is TB Accredited and Brucellosis Certified.

RICHWOOD ROTHES MM 22ND . . . Was the first prize junior yearling in the 1960 International! She has also been shown several times in horned competition and has consistently stood second in this company. She is thick, short legged and will calve in late June to International Reserve Grand Champion, Oakwood Gladiator x. Here is an animal that has been shown both as a junior calf and as a junior yearling in both horned and Polled competition and has never placed lower than second in class over the two long show seasons. She is correct in every way and comes from a long line of outstanding cattle in the Richardson herd. Calfhood vaccinated.

We are consigning this heifer chiefly to demonstrate the kind of calves which we are getting from Oakwood Gladiator and which the buyers will be purchasing in dam in the other consignments. This heifer is very well grown, in breeding condition only, and yet a heifer hard to fault.

CHANWOOD LANCER . . . Here is an outstanding son of Creekland Lancer out of a daughter of Broadway Hallmark, again, the very best of American Polled Shorthorn breeding. His individuality will speak for itself. He is certainly a strong show prospect for 1961 and later.

Broadway Hallmark x. 1956 International Grand Champion Bull for Ray and Gerald Clodfelter, Glatwyn Farms, Greencastle, Indiana. Lot 51 is a daughter.

Mr. and Mrs. Ted Franklin, Jasper, Alabama, shown at the extreme left, purchased an interest in Circleview Lancer x at the 1960 Oakwood sale. They were on hand at the 1960 International to see this bull made Junior and Reserve Grand Champion.

Lynnwood Lancer x. This son of Creekland Lancer x was purchased in dam by Lynnwood. He was the first prize senior bull calf, 1959 International. Lynnwood is getting excellent calves by this bull.

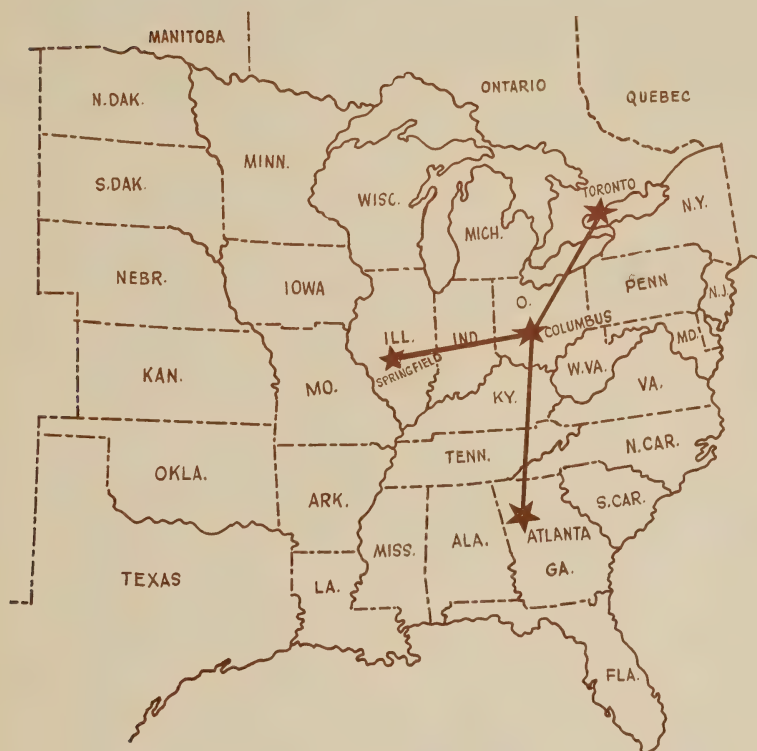

Oakwood Commissioner x. Grand champion bull, 1959 Illinois State Fair, Reserve Grand at Ohio, first in class at the International. Purchased in our April, 1959 sale for \$5,000 by Green Top Farm, Seymour, Illinois (an interest in him has been retained by Oakwood).

Oakwood Guardian. Now at Sourwood Farms, Social Circle, Georgia, Bruce W. Hancock. They own him in partnership with Oakwood. This son of Creekland Lancer x was a winner of fifteen championships. He is a brother to Oakwood Gloster 15th x, selling in this sale.

SPECIAL FREE DELIVERY OFFER TO THESE LOCATIONS

We want to make it as easy as possible for you to obtain Oakwood bloodlines. We will deliver via truck any purchases made in this sale to the following points: Springfield, Illinois; Atlanta, Georgia; or Toronto, Ontario. We have found these points convenient for breeders in most sections. In some cases it actually puts their purchases a short ways from home . . . and in other cases it serves to make what might be a long trip shorter. In connection with this offer cattle have gone to nearly every section of the country.

Typical Comments from "Lancer" Owners

OAKWOOD CORRECT DESIGN x

Oakwood Correct Design x was purchased on order in the 1958 sale at \$850 for J. F. McNall, Samuels, Idaho. Here is what he said in a recent letter *"Already his sons are in three states... Montana, Idaho, and Washington. Recently we took a range-raised calf by him to a local FFA demonstration. This calf was seven months. After a 16 mile ride he weighed in at 500 pounds. His calves are good-doers, with great pliable hides. He has proved a 100% dehorner."*

OAKWOOD MAJESTIC x
(Full Brother to Lot 2)

Monty Cowan, manager of Mrs. W. C. Pitfield's Saraguay Farms, has this to say about Oakwood Majestic x, the son of Lancer that topped our November, 1959 sale. *"Have five calves now. They're deep, low-set, plenty of bone, with substance to burn. Majestic himself has done very well. At two years he weighs just a shade under 1600 pounds. We are grateful to Bill Black for picking out such a good bull at your sale."*

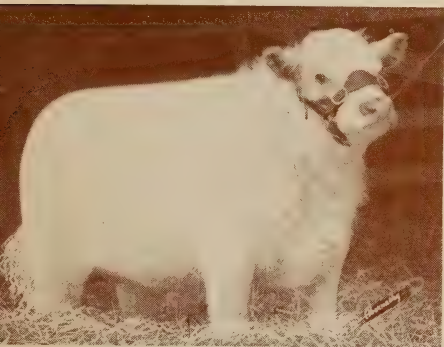

OAKWOOD IMMACULATE x

Frank Dempster & Son, Arlington, Iowa, bought Oakwood Immaculate, International second prize winner at the 1959 November sale for \$2000. *"Have seven calves. They look good with plenty of size and bone. I think Immaculate himself looks better today than he did when we picked him up at the International."*

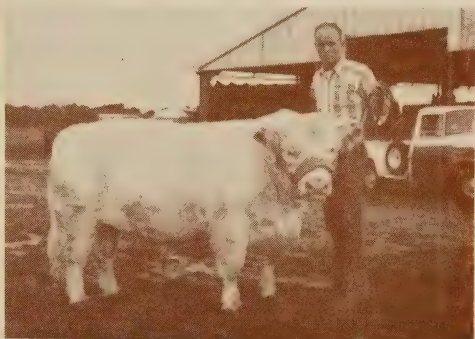

OAKWOOD LEGIONNAIRE

Henry Barsetti, White Top Ranch, Galt, Calif., bought Oakwood Legionnaire for \$5700, top of the 1959 April Oakwood sale. *"His calves are our best. The bull calves are outstanding and we are getting a grand group of heifers, too."*

Above, Oakwood Masterkey x, 1960 Ohio State Fair reserve junior champion and International second prize winner. Sold early this year to Raymond Brackbill and Martin L. Myers, Mechanicsburg, Pa. This bull is by Oakwood Decision x, the son of Creekland Lancer x owned by Gallatin Farms, Triplett, Missouri.

Oakwood Watchman. This powerful son of Creekland Lancer x is owned by H. L. & P. N. Smith, Winter Haven, Florida. He compiled a great show record for both Oakwood and the Smiths including the grand championship of the Florida State Fair and the Southeastern at Atlanta. He was the reserve champion at the Kentucky State Fair.

From Reuben Strother, Strowold Farms, Bowling Green, Mo. who purchased Oakwood Reflector x for \$1000 in the 1959 November sale. *"We want you to know how well pleased we are with the calves by Oakwood Reflector. While we have just 15 to date, there is plenty of proof. Their substance and heads please us in particular."*
